

**DISCLAIMER STATEMENT:**

In recognition of the fact that civil lawsuits can be brought against credentialing bodies as a result of wrongs allegedly done to parishioners, counselees or adherents by the sexual misbehavior of ministers, I freely give the following assurances to the Presbytery Board of the Iowa Ministry Network of the Assemblies of God:

*I do not use or view pornography (magazines, video, internet, cable, etc). I am not involved in any sexual misbehavior that could be considered in any way abusive or illegal. My life is marked by purity and freedom from any sexual conduct disapproved in the Bible.*
