Dear Pastor,

Thank you for joining with the Iowa Ministry Network to support Sunstream Campground. We are extremely excited about all of the changes that are taking place at Sunstream, including the remodeling of the sanctuary, the upgraded sound system, and kitchen appliances and the renovation of the snack shop (now called “The Garage”). I can’t wait for you to see all the changes!

Thank you for being part of a strategic time in the history of the Iowa Ministry Network as we work together to provide a state-of-the art facility to gather, equip and encourage our next generation leaders through camps and retreats. In years to come we will look back to this time as being pivotal in many of their lives.

I’ve enclosed some resources to help you as you present the vision for Sunstream to the people of your church. Feel free to use any and all of the resources that will fit your local setting. You’ll find a suggested message which you may want to use in the service, as well as a DVD that helps to explain the project in a bit more detail. I’m asking each of our pastors to receive a special offering (if possible) for Sunstream development prior to District Council, to add to your two-year faith promise commitment.

I’ve also enclosed a commitment card for you to complete and bring to the Tuesday evening District Council service, where will receive the offerings and faith promises toward Sunstream development.

Thank you for all of your help to reach the students and families of the Iowa Ministry Network!

Blessings!

Tom Jacobs  
Superintendent  
Iowa Ministry Network of the Assemblies of God

PS: Remember to bring your completed commitment card to District Council on Tuesday, April 28. See you there!
