

Women's Ministries Charter Application

A Charter Church is committed to praying and supporting the ministries to women in our Network. Your monthly or quarterly tithes and offerings allow us to develop new ministries for the women in Iowa, as well as provide help to our missionaries. Because of your giving, we are able to encourage and resource pastors' wives and women's leaders, provide assistance to the widows of ministers across Iowa and assist local churches. Thanks for chartering your group. We are better together!
