In order to partner with our church families, we are offering a reduced rate for events put on by Iowa churches. Also, we take 15% of every rental fee and put it directly back into missions and evangelism in Iowa. When you allow us to partner with your events, you enable us to affect the next generation.

22' Dual Slide

No one will be able to miss this monster slide as they enter your event. With bright colors and seemingly larger than life size, everyone will want to take the plunge over and over again.

Tiger Belly Bouncer

A sure favorite for the kids as they bounce till their hearts desire on the tiger's belly. The bright colors and great detail will dazzle their imaginations as they laugh with joy.

Zero Gravity Chamber

This is a new twist on the popular carnival game. Challenge your friends as you attempt to knock the hovering balls out of their orbit. It sounds easy, until you try it.
