

Dear Pastor and Christian Men's group leader,

It's time again for Christian Sportsman's Camp at Sunstream Retreat Center in Ogden, IA. September 11th & 12th, 2009.

First let me start by saying that I am extremely glad to be a part of a group of men who enjoy the same things I enjoy.

Sportsman's Camp is an exciting, down to earth and wholesome event for the whole man. I have heard over and over again how everyone has enjoyed these past years of Sportsman's Camp. It has been a big success. Thanks to Norm Wenig for starting this annual tradition and to the Iowa Ministry Network of the Assemblies of God for sponsoring this camp.

Looking back as a pastor, I wish I would have embraced an idea like Sportsman's Camp. Priorities for the church and home are emphasized throughout our time together. One of the great aspects of the whole camp is when men come to know Christ as their personal Savior or rededicate their life to Him. That's what it is all about!!!

Another aspect to look at when promoting this camp is that fathers can feel good about taking their sons, teaching them hunting and shooting skills around other men whose conversation isn't tainted with immoral character, but rather seasoned with the salt of God's Grace. *Colossians 1: 4.6*

New This Year:

Each year we try to incorporate new ideas to bring more success. It has been requested over and over again that we include a Hand Gun Range as well as a fishing emphasis at our Sportsman's Camp. This year it will happen. Every one pack your rod and reel for a casting competition and your Hand Gun to try out our New Pistol Range.

Last year we offered a Saturday only option with a daily rate. This was a huge success; it gave more men the opportunity to participate without giving up as much time or money.

If you would like more information or would like to participate in planning and organization of this camp, please contact me. E-mail is preferred. More brochures/registration forms can be downloaded at: www.imnag.org.
